

*From the creators of THE NIGHTINGALE,
an exquisite edition of another Hans Christian
Andersen classic tale of dark adventure*

*"Left, right! Left, right!" A soldier is marching
home from war when he meets a witch who says,*

*"What a fine sword you have,
and what a big knapsack! Now I'll show you how
to get as much money as you want."*

Fortune is fleeting for the soldier until he
learns the secret of the witch's tinder box
and her three eerie dogs, each with eyes bigger
than the last. With each strike of the flint,
a dog materializes to grant him his wish, and
the soldier doesn't hesitate to take advantage
of this gift — at a high cost to the kingdom.

Spun with wit and clarity, Stephen Mitchell's
wonderfully fresh retelling is paired with
Bagram Ibatoulline's richly detailed illustrations,
creating a stunning collectible edition.
